

**3.10. ARRA Update: Review & Next Steps**  
**Monday, January 11, 2010**

Good Afternoon,

Thank you for all the work you have done to satisfy Recovery Act reporting requirements for the period ending December 31, 2009. The ARRA Reporting Team is requesting you complete two tasks as explained below.

**1. Make sure all your awards are on the attached initial submission list.**

Ohio submitted reports for the attached awards prior to January 10, 2009. Please check this list carefully and, if there is an award that you believe should be reported that is not on this list, contact your OBM ARRA Liaison and [ARRA.support@obm.state.oh.us](mailto:ARRA.support@obm.state.oh.us) as soon as possible to let us know (Ohio Department of Transportation projects under CFDA 20.205 and 20.509 are not included in this list).

These reports were submitted to ensure a timestamp prior to January 10 in order to be in compliance with the Act. These are not necessarily final reports and you do have an opportunity to make changes this week.

**2. Make any corrections in the ARRA Hub by January 13 at 2:00 PM.**

If your awards are included in this list, you have until Wednesday January 13 at 2:00PM to make any corrections. If you wish to correct what is currently in the ARRA Hub, please make the changes, create a new snapshot, and enter a new "Final Validation." Please note, if the award is on the attached list of those submitted, no actions are needed. Beginning Wednesday January 13 at 2:00, OBM will commence loading final submissions into federalreporting.gov. If you have any questions or concerns, please contact your OBM ARRA Liaison.

Thanks for your ongoing efforts.
