

Role and Overview

The Ohio State Board of Cosmetology (COS) is responsible for examining and licensing cosmetologists, estheticians, and manicurists for practice in Ohio. The board inspects the indoor tanning industry in the state to ensure that safety and sanitation standards are met. COS also regulates and assists the county career vocational schools that provide cosmetology curriculums through the Department of Education, as well as private cosmetology schools throughout Ohio. Furthermore, continuing education curriculums are approved and audits on licensees are performed by the board to ensure the required hours are completed and documented. COS has nine board members and 41 staff members.
